INFORMATION ABOUT THE NORTH CAROLINA REGISTER AND ADMINISTRATIVE CODE

NORTH CAROLINA REGISTER

The North Carolina Register is published monthly and contains information relating to agency, executive, legislative and judicial actions required by or affecting Chapter 150B of the General Statutes. All proposed administrative rules and amendments filed under Chapter 150B must be published in the Register. The Register will typically comprise approximately one hundred pages per issue of legal text.

State law requires that a copy of each issue be provided free of charge to each county in the state and to various state officials and institutions. The North Carolina Register is available by yearly subscription at a cost of ninety-five dollars ($95.00) for 12 issues.

Requests for subscription to the North Carolina Register should be directed to the Office of Administrative Hearings, P. O. Drawer 11666, Raleigh, N. C. 27604. Attn: Subscriptions.

ADOPTION, AMENDMENT, AND REPEAL OF RULES

An agency intending to adopt, amend, or repeal a rule must first publish notice of the proposed action in the North Carolina Register. The notice must include a reference to the Statutory Authority for the action; the time and place of the public hearing and a statement of how public comments may be submitted to the agency either at the hearing or otherwise; the text of the proposed rule or amendment; and the proposed effective date.

The Director of the Office of Administrative Hearings has authority to publish a summary, rather than the full text, of any amendment which is considered to be too lengthy. In such case, the full text of the rule containing the proposed amendment will be available for public inspection at the Rules Division of the Office of Administrative Hearings and at the office of the promulgating agency.

Following publication of the proposal in the North Carolina Register, at least 60 days must elapse before the agency may take action on the proposed adoption, amendment or repeal.

When final action is taken, the promulgating agency must file any adopted or amended rule with the Office of Administrative Hearings. If it differs substantially from the proposed form published as part of the public notice, the adopted version will again be published in the North Carolina Register.

A rule, or amended rule, cannot become effective earlier than the first day of the second calendar month after the adoption is filed.

Proposed action on rules may be withdrawn by the promulgating agency at any time before final action is taken by the agency.

TEMPORARY RULES

Under certain conditions of an emergency nature, some agencies may issue temporary rules. A temporary rule becomes effective when adopted and remains in effect for the period specified in the rule or 120 days, whichever is less. An agency adopting a temporary rule must begin normal rule-making procedures on the permanent rule at the same time the temporary rule is adopted.

NORTH CAROLINA ADMINISTRATIVE CODE

The North Carolina Administrative Code (NCAC) is a compilation and index of the administrative rules of 25 state agencies and 38 occupational licensing boards. The NCAC comprises approximately 15,000 letter size, single spaced pages of material of which approximately 35% is changed annually. Compilation and publication of the NCAC is mandated by G.S. 150B-63(b).

The Code is divided into Titles and Chapters. Each state agency is assigned a separate title which is further broken down by chapters. Title 21 is designated for occupational licensing boards.

The NCAC is available in two formats.

1. In looseleaf pages at a minimum cost of two dollars and 50 cents ($2.50) for 10 pages or less, plus fifteen cents ($0.15) per each additional page.

2. On microfiche. The microfiche edition is revised semi-annually (March and October) and can be purchased for forty dollars ($40.00) per edition. Due to the volume of the Code, the complete copy can only be purchased on microfiche. The NCAC on microfiche is updated monthly by publication of a “List of Rules Affected” which sets out rules filed the previous month, the action taken, and the effective date of the change. This list is published in the North Carolina Register.

Requests for looseleaf pages of rules or the NCAC on microfiche should be directed to the Office of Administrative Hearings.

NOTE

The foregoing is a generalized statement of the procedures to be followed. For specific statutory language, it is suggested that Articles 2 and 5 of Chapter 150B of the General Statutes by examined carefully.

The use of any allocation is predicted on the Issuer of the bonds, within ten business days after such issue, advising in writing, that the allocation has been used, and stating the amount of unused allocation. All allocations will be issued with a stated time of expiration. If the Issuer becomes aware that the bond closing cannot be effected within the time scheduled, he may apply for an extension. Statutory Authority G.S. 143B-429; 143B-430.

SECTION .0300 REVIEW CRITERIA

.0301 GENERAL

It is the purpose of this Section to specify the standards and the criteria the committee will use in making their decisions.

Statutory Authority G.S. 143B-429; 143B-430.

.0302 ESTABLISHMENT OF AVAILABILITY CAPACITY

The committee will determine the amount of the uniform bond limitations for Private Activity bonds available in North Carolina for the pertinent years. These formulas are contained in federal legislation.

Statutory Authority G.S. 143B-320; 143B-429.

.0303 CONSIDERATIONS OF RESOURCES USAGE AND DEMAND

The committee will consult with informed authorities, with issuers, and with legislative lenders. When it appears that the demand for the resource will be large enough that the needs of all issuers can be met, the committee will make allocations on a first-come, first-serve basis. Where demand, or potential demand, appears so large that the resource might prove to be inadequate, the committee would consider, but not limit their consideration to, the following:

1. the overall good of the state and the people of North Carolina,

2. relative economic need and benefit to the issuer and the area to be impacted by the following,

3. whether or not alternative structure or mechanisms for the project agreements and the financing documents might resolve or reduce the need for a "private activity bond" capacity allocation, and

4. whether or not the overall project feasibility, is dependent on the availability of an allocation, and

5. whether or not the issuer is in competition with another out of state issuer for the project benefits such as jobs and tax base, and

6. whether or not the availability of the allocation is a crucial part of keeping an existing industrial plant open, whereas the alternatives would be for that plant to close.

Statutory Authority G.S. 143B-429; 143B-430.

Notice is hereby given in accordance with G.S. 150B-12 that the Savings and Loan Division intends to adopt and amend regulations cited as 4 NCAC 16D .0404; .0901; .1001-.1004; and 16F .0001.

SUBCHAPTER 26H - REIMBURSEMENT PLANS

.0500 - REIMBURSEMENT FOR SERVICES

.0501 HOME HEALTH SERVICES (REPEALED)

Statutory Authority G.S. 108A-25(b); S.L. 1985, c. 479, s. 86.

SECTION .0600 - HOME HEALTH PROSPECTIVE REIMBURSEMENT

.0601 REIMBURSEMENT PRINCIPLES

All covered services provided by certified home health agencies participating in the North Carolina Medicaid Program are to be reimbursed on a prospective payment basis as set forth in this plan. The intent of this plan is to develop reasonable rates that provide incentives for the cost effective and efficient delivery of home health services.

Statutory Authority G.S. 108A-25(b); 108A-54; 108A-55; S.L. 1985, c. 479, s. 86; 42 CFR 440.70.

.0602 REIMBURSEMENT METHODS

(a) A maximum rate per visit is established annually for each of the following services:

1. Registered or Licensed Practical Nursing Visit;
2. Physical Therapy Visit;
3. Speech Therapy Visit;
4. Occupational Therapy Visit;
5. Home Health Aide Visit.

(b) The maximum rates for the services identified in Section (a) above are computed and applied as follows:

1. Payment of claims for visits is based on the lower of the billed customary charges or the maximum rate of the particular service. Governmental providers with nominal charges may bill at cost. For this purpose, a charge that is less than 50 percent of cost is considered a nominal charge.

2. The maximum rates are derived from a base year selected by the state. The base year maximum rates are set at 90 percent of the median charge per visit for each service.

3. To compute the annual maximum rates, the base year median rates per visit are
adjusted as described in Sections (4), (5), and (6).

(4) Base year rates are adjusted by an annual cost index factor. The cost index has a labor component with a relative weight of 75 percent and a non-labor component with a relative weight of 25 percent. The relative weights are derived from the Medicare Home Health Agency Input Price Index published in the Federal Register dated May 30, 1986. Labor cost changes are measured by the annual percentage change in the average hourly earnings of North Carolina service workers. Non-labor cost changes are measured by the annual percentage change in the GNP Implicit Price Deflator.

(5) The annual cost index equals the sum of the products of multiplying the forecasted labor cost percentage change by 75 percent and multiplying the forecasted non-labor cost percentage change by 25 percent. The base year rates are multiplied by the cost index factor for each year from the base year to the year in which the rates apply.

(6) Other adjustments may be necessary for special factors relating to home health services or to comply with federal or state laws, regulations and policies.

(c) Medical supplies and Durable Medical Equipment are reimbursed at the lower of billed customary charges or a maximum amount determined for each supply and equipment item. The maximum amount for each item is determined by multiplying the prevailing Medicare Part B allowable amount by 145 percent to account for the allocation of overhead costs and by 80 percent to encourage maximum efficiency. Estimates of reasonable cost will be used if a Medicare allowable amount cannot be obtained for a particular supply or equipment item. The Medicare allowable amounts will be those amounts available to the Division of Medical Assistance as of July 1 of each year.

(d) Parenteral and Enteral Therapy and other in-home therapies (e.g., chemotherapy, antibiotic therapy) covered under the North Carolina Medicaid Program are reimbursed at the lower of billed customary charges or the comparable Medicare Part B allowable amount.

(e) Extended home care nursing is reimbursed at the lower of billed customary charges or an established hourly rate. The rate is derived from the average billed charges per hour in the base year and is adjusted annually by the percentage change in the average hourly earnings of North Carolina service workers.

(f) In addition to prospective rate payments, a hardship cost settlement payment is made to a home health agency if the agency's total Medicaid reasonable cost significantly exceeds its total Medicaid payments as reported in an annual cost report. The amount of the hardship payment is equal to the excess cost minus ten percent of an agency's total Medicaid cost. Hardship settlement payments will not be available for cost reporting periods beginning on or after July 1, 1989.

Statutory Authority G.S. 108A-25(b); 108A-54; 108A-55; S.L. 1985, c. 479, s. 86; 42 CFR 440.70.

.0603 APPEALS

Providers may appeal maximum rates by presenting written requests and supporting data. Rates will not be adjusted retroactively. Appeals will be processed in accordance with division procedures for Provider Reimbursement Reviews.

Statutory Authority G.S. 108A-25(b); 108A-54; 108A-55; S.L. 1985, c. 479, s. 86; 42 CFR 440.70.

.0604 COST REPORTING AND AUDITING

Annual cost reporting and auditing are required in accordance with the Medicare principles of reimbursement and the Medicare intermediary's schedules, standards and procedures.
The public hearing will be conducted at 10:00 a.m. on June 24, 1987 at Woodoak Building, Second Floor Conference Room, 1100 Navaho Drive, Raleigh, North Carolina 27609.

Comment Procedures: Any interested person may present his/her views and comments either in writing or orally at the hearing.
